NOTES ON COMPLETION OF FORM H16

These notes should be read in conjunction with the relevant legislation.

General This form must be completed correctly, in full and in accordance with the following notes. Every section of the form must be completed. Where "not applicable", "nil" or "none" is appropriate, please state.

note one An objection to the strike-off of the company can only be made where one or more of the conditions set out in section 731 Companies Act 2014 have not been met. Objections to the strike-off outside of these reasons cannot be considered.

It is imperative that the objection be sent to the Companies Registration Office in advance of the proposed strike-off date. The CRO cannot restore the company once it has been struck off and the restoration procedures under sections 736 to 744 Companies Act 2014 would have to be followed.

The deadline for the receipt of the objection is the period ending 90 days after the date of the publication of the notice in the CRO Gazette.

An objection to the voluntary strike-off procedure may require further contact from the CRO to determine whether the objection will be sustained.
