Introduction

The Registry of Friendly Societies (RFS) is a statutory office of the Department of Business, Enterprise and Innovation.

The Registry of Friendly Societies deals with three different entity types, namely Industrial and Provident Societies which in the main consist of co-operatives; Friendly Societies; and Trade Unions which include employee unions, employer associations and trade associations.

The principal legislation governing these entities is:

Statement of Strategy

The Mission Statement of the Registry of Friendly Societies is:

“To ensure that the various mutual entities registered at the Registry, which are subject to general regulation and supervision in varying degrees by the Registrar of Friendly Societies, comply with their statutory obligations and to maintain an up to date public record on those entities”.

This mission statement is accomplished through two core objectives, namely:

- The efficient and effective registration and general regulation of Industrial and Provident Societies, Friendly Societies and Trade Unions.

- The provision of an efficient and effective service to the public.
2017 Overview

At the end of 2017 there were 927 Industrial and Provident Societies, 46 Friendly Societies and 56 Trade Unions on the register, making for a combined total of 1029 registered entities. As such 2017 saw an increase of 18 in the number of societies/trade unions on the register compared to the end of 2016.

The charts below show the ratio of Industrial and Provident Societies, Friendly Societies and Trade Unions on the register at 31st December 2017, and over the years 2008 – 2017.

**Fig. 1:** Ratio of I&P Societies, Friendly Societies and Trade Unions at end 2017.

**Fig. 2:** Ratio of I&P Societies, Friendly Societies and Trade Unions 2008-2017.
The fluctuation in number each year is as a result of new acknowledgements of registry, restorations, cancellations, amalgamations, transfer of engagements, dissolutions and liquidations.

Details of the various registrations completed during 2017 are set out in the following pages of this report.

There are additional matters which a registered society or trade union must register or record in addition to sending annual returns and accounts to the Registrar, and these matters include:

- partial and complete rule amendments/alterations,
- changes of name and registered office,
- special resolutions.

Details of each of the above matters are also included in this report.

The RFS customer service targets regarding processing applications and making documents available to the public range from five to ten working days in respect of correctly completed applications, and are dependent on the nature of the application involved.

From time to time the RFS carries out targeted enforcement campaigns aimed at identifying societies and unions overdue in their annual return filing obligations, seeking their compliance in coming up-to-date on the register and, where this cannot be achieved, ultimately cancelling the registration of those entities and removing them from the register. The RFS continues to monitor compliance with a view to encouraging all societies to file on a timely basis and where necessary will initiate further targeted compliance and enforcement drives.

The RFS collaborates with the Companies Registration Office (CRO) regarding making information available to the public on-line, and to this end general information and prescribed forms pertaining to industrial and provident societies, friendly societies, and trade unions are available on the RFS section of the CRO website at www.cro.ie.

Statutorily filed RFS documents pertaining to Industrial and Provident Societies, filed from 2010 onwards, including annual returns, are available on-line via the CRO/RFS website for purchase. This allows members of the public to view and check the status of Industrial and Provident Societies and purchase registered documents via the CRO/RFS website and has eliminated the need for in-person callers to the Office for this purpose. Payments are made by Credit/Debit card.

Access to public record files for inspection and/or purchase of copies of registered documents in respect of all entities registered by the RFS is also facilitated through the public enquiries counter in the CRO at Bloom House, Gloucester Place Lower, Dublin 1 during the hours 9.30 to 13.00 and 14.15 to 16.30 Monday to Friday.

As most public record files are now stored off-site it is advisable to make an appointment before attending the office to view a public record file.

During 2017, fees received in the RFS amounted to €57,325.94 compared to €46,177.36 for 2016.
The RFS engaged throughout the year with stakeholders and the Department of Business, Enterprise and Innovation (Co-Operative Legislation Unit) in relation to matters of common interest and issues of policy concerning societies and trade unions.

In December 2017 the RFS began a major IT project designed to provide an up to date filing environment for entities registered by it. It is expected that this project will be completed in late 2018. When completed, entities registered by the RFS will be able to file certain commonly filed documents, including annual returns, online and going forward there will be an online search facility for all documents filed in RFS. Electronic payments will also be facilitated.

**Industrial and Provident Societies**

During the year under review the RFS registered 32 new societies and no societies were restored to the register.
